

Gifts from the

heart

On behalf of the Miss South Carolina Scholarship Organization, we extend our sincere thanks and appreciation to our very special friends who continue to offer their financial support to our Organization and Scholarship Fund. You continue to touch the hearts and lives of so many young women from across the state to help provide direction to their future. Without your donations, we would not be able to provide the scholarships that are available to our program's young women.

Below is a listing of the wonderful individuals and businesses that have so graciously given from their hearts and we are grateful to them for their spirit of commitment to our program and for helping to brighten our future.
